

Good News Outreach's 19th Annual Prayer Breakfast

A Gathering in Spirit

You are invited to experience Good News Outreach's 19th Annual Prayer Breakfast, Saturday, October 24, 2020 at 9 a.m. The Prayer Breakfast is our primary fundraiser and helps us bring Good News to those who are isolated for various reasons – low-income seniors, men returning from prison, and single parent families. Tallahassee Police Chief Lawrence Revell will deliver our keynote address, and Sheriff Walt McNeil will bring his spiritual message to the event.

You will experience testimonials from men returning to our community from prison, single parents, senior citizens and others whose lives have been transformed by the grace of God and with the support of Good News and our like-minded partners.

The Prayer Breakfast will be a hybrid event, so the program will be attended by a very small number of guests and will be Livestreamed to an unlimited number of our friends and supporters. We hope you will join us! Please register for the event on our website at www.Goodnewsoutreach.org or simply join us via our Facebook page, <https://www.facebook.com/GNOTallahasse>

Stay safe!

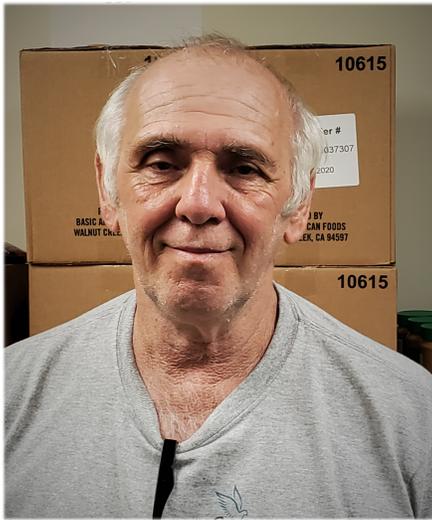

Chief Revell

Sheriff McNeil

There is a lot happening at Maryland Oaks Crossing. New roofs are just the beginning.
Thank You Parker Brothers Roofing for the great work!

Donald Clumm

Good News Outreach welcomes Donald Clumm to our staff as our new Food and Pantry Assistant. His duties include setting up and supervising the Food Pantry, and keeping the client files current. When we expanded our hours in April due to Covid-19, it became clear we needed someone who could focus their energy on the Pantry. Donald has been volunteering nearly every day this summer, packing bags for distribution, unloading trucks, and assisting clients. He says "I enjoy helping out and this is a place where I feel appreciated". Donald is a full-time student at TCC, where he is enrolled in the Paralegal sciences program.

Volunteer Spotlight Senior Grocery Program

"Growing up I've seen a lot of poverty, so I knew these people needed a lot of help. I began when the coronavirus started because I felt there was a need for grocery deliveries, and throughout the process, I have been amazed at every step."

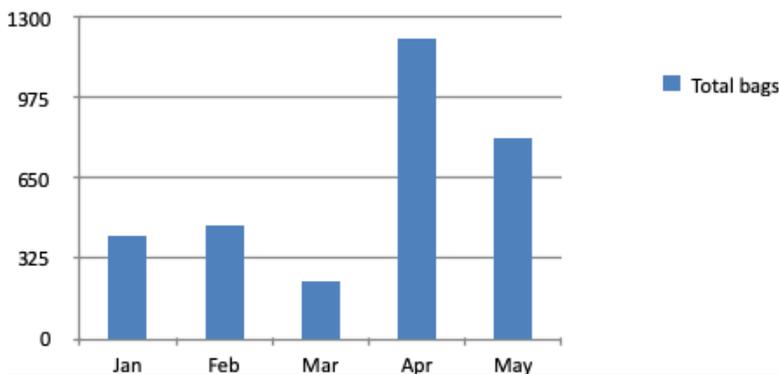

- Elke Long

"I was pulled in by my wife, but I am all about the work of Jesus, and the name of this place says it all. I wanna be out there for the least and the lost, to help anyway that I can, because doing what we do makes all the difference in the world"- Kevin Long
